President's Report 2019

Once again, we've kicked off, we've played, and we've pulled the nets down - ALREADY!!

A sentiment I elude to each year, with 2019 being no different to any other. We went around with 1 less team than last year, losing an U6 team, but gaining an U17 team, who, may I say, performed extremely well as a bunch of mates coming together as one, plus, when on song, produced some of the most entertaining football to watch, and unfortunately, getting knocked out in the semi-final.

This season, we may not have had competition winners, but we sure did make up for it in the aftermath.....we produced 2 comp runners up, the 12girls Div 1 and the AAW Div 1. These two teams also found themselves in the CST Finals, the 12girls winning a nail biting penalty shootout, beating a persistent Emu Plains, and the AAW winning in extra time 3-2, both of these teams have also won through to the Nepean Cup Final, in which we wish them the very best in their respective games, being played 7th Sept, unfortunately after this went to print. We also had another Nepean Cup entrant in the U13/1's joining forces with some of the U14/1's, which proved a great combination, being well coached by Rod Wallace and making it to the Semi-final. The U14g/2's and the U14/1's also got to the Championship Series Final and came out winners. The 14girls, also winning out a penalty shootout to beat a previously undefeated Glenmore Park team, and the 14boys, making the treble for the glorious day in one of their best games of the season, coming from 7th place to Final Winners, beating St Clair, who won the comp!! Championship Series Finals day turned out to be all Richmond!! And I want to point out how fabulous it was to see all the younger teams arriving to support each other, needless to say, the sea of blue and gold surrounded the fields.

My committee for 2019 are just so hardworking, I don't have enough room to put onto paper how much they do, but you will see them constantly at the park. Especially impressive was the pre-season working bee we had to get Icelly up to scratch and the installation of our excellent new dugouts, pulling together, we got it done. This year we added a couple of younger members to our committee in Morgan Darling and Lauren Kwast, who have worked quietly behind the scenes cleaning up storerooms and giving the canteen a bit of a makeover with a splash of blue and yellow paint. Tony McLane was our other new committee member, Emu, as he is affectionately known, has been at the club quite a while and taken the step up to give back. We always welcome new Committee, as many hands make light work!

Pink Day, always a challenge, but well worth it, was even bigger and better, being a huge success with every team on board, 100% participation! A whopping \$2,500 to the Cancer Council, which covers various cancer research, and \$705 to the McGrath Foundation to support Breast Care Nurses. We had a slight glitch with adult sock availability, but we managed to get around it. Opposition clubs were generous this year, with special mention to U7 Wilberforce Bears, Penrith RSL 15/3's, Henry Lawson 17/1's and Colo AAW1 - all pinked it up and donned pink socks, which made the spectacle extra special!!

As another year passed and sadly, we have lost another life member in good friend, Peter Kersivian. I enjoyed many a game, and downed a few beers over the years with my old mate, who passed October last year. We go back a long way to when his father Pierre invited me to play All Age for Richmond ExSSC in approx 1974, and that's where it all began. Pierre was our Club President for a few years and Peter and Anne, his wife, both served on the committee, coached and managed various teams that their kids David and Mark played in, an avid sportsman who will be ever missed.

Steve Meredith has been at it again with rounding up sponsors for our effective looking training shirts, with a big Thank You to **RAFTON FAMILY LAWYERS, KERRI FROM AUSSIE, BUYA CAR 4 ME, THE RICHMOND CLUB,** and this year were joined by **INDULGE YOUR PAWS** and **AJ MITCHELL TRANSPORT. MACCA'S GARTON GROUP** once again have come on board for another year with training ball sponsorship, these great initiatives have been exceedingly popular each year, and we thank him very much. I would like to mention that Steve gets this done whilst turning sausages, bacon and eggs every Saturday, no easy gig, but Steve manages it with gusto week in and week out, great effort!

This year we have gone back to giving Summer Comp a go once again, it will start in October and finish in December, so come and have a kick around over the summer with your mates, it's a short version of 6v6 on a Thursday Evening.

Our AGM will be late October, watch our social media for updates on this.

We promote ourselves as a fair club, with heavy emphasis on family, friendliness and good spirited play. We enjoy the comradie created between our members and we hope most of you feel the same way and will continue playing in the blue and gold, let your friends know what a great football experience you can have at Richmond Ex-Servicemen's Soccer Club and make our club your future.

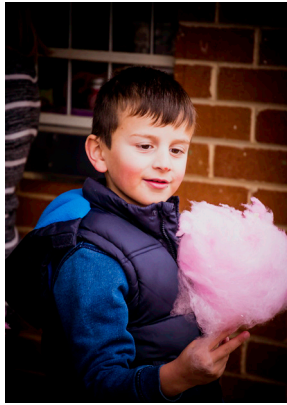

Thank you all once again and we are looking forward to seeing all of you next year....it will be here soon enough!

Yours in Sport,
PAUL BOYD

Park Improvements 2019

Our hardworking Committee put in hours of blood, sweat and tears to get our beloved Icely Park looking gorgeous for Season 2019!!

A grant from Hawkesbury Sports Council, a little bit of Club money and we found ourselves with some new covered Home and Away subs benches and some new timber look benches for around the ground, managing to spruce Icely up, while keeping the warm feel we love at our Park! Add a splash of paint in the Canteen, and presto, we were ready for Season 2019!

U6 BEARS

Back: Cooper Fletcher, Levi Wilson **Front:** Leonardo Galea, Ava Ingersole, Harper Van Der Ley, Remi Lack, Andie Gabriel.

Coach: Ben Gabriel **Manager:** Nicole Gabriel

Our Little Bears have certainly come a long way since last year, half of our team playing for the first time and I am really proud of how they have bonded. We scored many goals, won a number of games and are certainly playing more like a team.

They give me many a grey hair and cost me a fortune in slushies, but I love watching these little super stars turn up eager to train and play at the park.

Special thanks go to Ben and Brie for coaching and managing the Bears whilst we were on holidays.

COOPER - This little man is enthusiastic, he loves playing soccer and has shown great skill in scoring goals. Cooper is speedy to defend with a lethal kick that leaves kids dodging the ball. **Go Coop!**

LEVI - This was Levi's first year of playing and he was a joy to watch. The determination on his face is priceless and his ball skills are something to watch. **Great year Levi!**

LEO - Leo has come a long way since the first couple of rounds. He is getting more involved in the play and gaining confidence, it is wonderful to see the excitement on his face when he scores. **Great work Leo!**

ANDIE - A big change from last year for Andie, no more dancing on the field, she is running, tackling, chasing and developing control of the ball. Continues to grow week after week. **Top job Andie!**

REMI - Our little giggling pocket rocket, Remi has a thirst for scoring goals. An awesome little player who is always involved in the play, with excellent ball control. **Love your work Remi!**

HARPER - Played her first year of soccer and is getting braver and more involved each week. She is developing some great ball skills and continues to improve each game. **Good stuff Harper!**

Also, special mention to our littlest team members Kyan, AJ and Lincoln, who show up to training and are always there for half time oranges. Thanks to **Ava** who played half the year with us, sorry to see you leave.

Big thanks to the Parents and Grandparents who braved the cold and gusty winds to support our Bears. It's been a pleasure to coach these awesome kids and I can't wait to see you all next year.

U6 COUGARS Cooper Walters, Miles James, Blake Van Opynen, Chance Vanderburg, Lachlan Elson
 Absent: George Koukousis Manager: Toni Walters Coach: Steven Walters

The highlight has to be the way the team developed over the season, the friendships and the team spirit shown, even with training sessions done holding hands! It was a privilege to coach the team and be part of this, to see the kids come to training and improving every week, working better and better as a team, with each player making excellent progress.

BLAKE - Always gave his best on the field and was not afraid to get into the game, scoring some good goals. Had a great season!

MILES - Has shown a lot of improvement with his ball skills. He has had some great performances this year, with some fantastic goals.

LACHLAN - In his first season developed into a great team player. Improving constantly, great effort. Scored some great goals, and set up a lot more.

COOPER - Improving constantly with each game played. Great effort, scored some great goals.

CHANCE - Demonstrates great confidence with the ball, never stopped scoring goals from all over the field.

GEORGE - Although he was only with us for a short time, he gave his best on the field and was not afraid to get into the game, scoring a lot of goals.

Thanks also to all the help from the Parents at training and games, it made everything easier and fun for the kids (although I think sometimes the parents were having more fun than the kids!)

What I enjoyed most this season:

Blake - "I loved scoring goals!"

Miles - "Running and kicking the ball into the goals"

Lachlan - "I loved getting goals and making new friends."

Chance - "Getting goals and trophies."

Cooper - "Passing and kicking the ball to my friends / teammates."

Thanks to the Parents and Supporters for all the encouragement and support of the players, Toni and myself, we hope that you enjoyed the season as much as we did!!

2019

Has been an amazing year!!

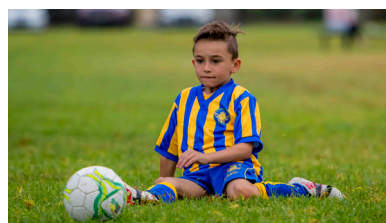

Having the opportunity to coach the U6 Tigers has been great.

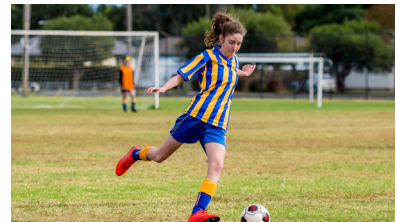

The effort and improvement from the boys over the season has been a joy to watch and I'm sure, without a doubt, there will be more highlights from these kids over the coming years too.

Thank you to the Parents and the boys for a great year.

Manager: Denise Sondermeyer **Coach:** Danny Sondermeyer

Manager: Nikita Sondermeyer

Well Done Dingos on another successful season!

The whole team returned, plus we gained a new player, Mariah, who was quickly welcomed into the team and established herself as a very valuable addition.

It didn't take long to notice how keen the Dingos were to start the season. A few training runs in it was obvious that every Dingo had been practicing and fine tuning their soccer skills over the summer.

The improvement of each player has been amazing! As the season grew, so did they, always giving 100%. The groups teamwork and sportsmanship gets stronger every week.

I'd like to thank the Players and Parents for all their support and help throughout the year, it's been a fun ride. The Dingos must be proud of themselves, as we Parents are.

JAX - Striker - Can read the game really well, has good ball skills and speed. He showed good leadership with his talking and passing game. Set up many goals, top goal scorer.

COOPER - Defender - Another who reads the play well. He has a massive clearance kick and is one tough defender. Scored some nice goals.

CHARLIE - Midfielder - Most improved player, he has had a huge season. Once he scored one goal, there was no stopping him! His passing and awareness is awesome. Top effort mate.

MARIAH - Midfielder - Cheerleader - Classy player, top defender that can read the play well. Scored some nice goals and gets a 10/10 for cartwheels.

PATRICK - Midfielder - Another player who has improved out of sight and has had an awesome season. Relentless tackler, scores lots of goals!

HARRISON - Centre Mid - Reliable player who has a good passing game and also reads the play well. Scored some top goals!

XAVIER - Winger - The smallest in the team, he has unbelievable ball skills. He has scored plenty of goals and set up many more. Has a good turn of pace also. Well done mate!

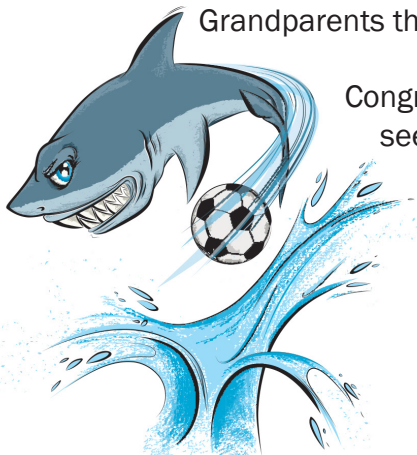

U7 SHARKS Lucas Copeland, Tayla Worland, Jayden Cameron, Ella Bennett, Jachin Marcial **Coach: Robert Gabriel**

The U7 Sharks had a fun filled year this year.

They started the season with three newcomers, but early on they showed improvement. Their team spirit was inspiring. Our little team turned up every week ready to play, got beaten 90% of the time and came off smiling from ear to ear! They were most excited when there was watermelon for halftime.

JACHIN, LUCAS, ELLA, JAYDEN and **TAYLA** would like to thank Robert for coaching, the big brothers Aidan, Jacob and Riley for refereeing the games and the Parents and Grandparents that came to support them.

Congratulations U7 Sharks for an enjoyable year and we look forward to seeing you all again next year!

Another Fantastic Season!

Most of our U7 Panthers have made the transition from miniroos to the U8-9's modified field and introduced a goalkeeper. In the beginning most players didn't like the idea of standing in front of the goal to have the ball kicked at them, but towards the middle of the season, we had a line up to wear the gloves.

ALLIE - Continued developing her skills, with some great defence, she enjoys training and is always smiling.

TYLER - Lives up to his nickname of **MONSTER!** Great in defence, not much gets past him. Developing his skills nicely, he is starting to pass out from the back to create chances.

MITCHELL - Continues as the smiling assassin. He found himself in every position this year, with great goalkeeping skills.

ARCHIE - Loves the goalkeeping gloves, diving left and right, loves to get amongst the big tackles when he is on the field.

RILEY - One of our new recruits and his first year playing soccer. Full of energy, loves to get involved, and has tried hard to develop his skills.

ZARA - Another new recruit to the team, she brings enthusiasm to training and the games, playing all positions. Zara continues to develop her passing skills.

CHIARA - Our little pocket rocket continued developing her skills, getting involved in most positions, tackling and passing.

NATE - Loves to score goals and has developed his dribbling skills. He loves to challenge the Coach (Dad) every training session.

TYLER / NOAH - These two brothers joined the team to only play a handful of games before deciding soccer was not for them this year.

Overall, a great season had by everyone. Big thanks to Toni (Manager). Also the Parents, Grandparents, family members and friends for supporting the team every week.

Another year over, and what a great year it has been!

This year we welcomed three new players into our team, **MAX, LEVI** and **RYAN**, and also returning players **JONATHON, NOAH, MATT, JUDE, ALLYRAH** and **PHOEBE**.

This season was an exciting and interesting one at that! We had a few teething problems at the start, but we managed to pull through and 19 rounds later, what a team we had been able to put together on the park week in and week out!

We look forward to coming back next season and having a bigger and better year with the little **Soccer Stars** we are developing.

What a wonderful season we've had this year. I was so lucky to watch all these great kids grow into an awesome team of soccer stars. This has been the second year of coaching this team and the amount of improvement was outstanding, the kids definitely took it to another level!

We have a great team morale, every player is there to help each other in whatever way they can, so pleasing to see.

We started putting players into positions this year, which was difficult to start, but by the end of the year they had it mastered, and we can't wait to move up to the larger field next year.

JACOB F - Worked really hard on his ball skills this year, and it's been great to see the improvement, he is now kicking the ball with so much power and accuracy. He has become a great asset to the team.

DEAN - Works really hard each week, puts in 100% at training and in the games. He's missed a few games this year due to illness, but it was great to see him come back and finish strong.

MARIAH-LEE - What can I say, but absolutely the most reliable centre fullback you could ever have! She saved so many goals this year. Turns up each week and does exactly what is asked of her, an awesome asset to the team!

HANNAH - Is probably the hardest trainer in the team, works really hard in all aspects of her soccer. She has great dribbling skills and has also worked really hard on her power kicks. She is a pleasure to have in the team.

JAKOB B - Is a pleasure to coach, he works hard to improve all aspects of his game. Each week he turns up and shows me a new skill he has been working on at home. Absolutely loves playing soccer and it shows in how he plays each week.

JACK - This was my first year of coaching Jack and it was a pleasure to have him in the team. He worked really hard on improving his ball skills and it was awesome to watch him grow as a player.

JOSEPH - I can say he is definitely the character of the team. He always shows great sportsmanship on and off the field and has learnt this year to control his power and concentrated on his passing skills. He always makes me laugh.

ANIKA - I think has been the most improved player this year. Her footwork and control with the ball is awesome to watch, I am so proud of all the work she has put in to make it happen. She is also great to have in goals. She always turned up, even when not well, and she still managed to play. Definitely a team player.

ISAAC - Last, but not least, Isaac. He shows great sportsmanship, and always puts in 100%. He has worked hard on his passing game, which has come a long way. Always playing for his teammates.

I would like to thank all Parents for their support during the season, I think you would all agree, they have all improved their skills this year. Hope to have you all back next year.

Huge thanks to our awesome Manager, Steve. You always go beyond the call of duty, all the kids love your oranges and I really appreciate your help.

Also a thanks to James, who helps out each week, in whatever capacity he can. He has also filled in for me when I couldn't make it. Cheers.

The team welcomed a change of coaching this year and approached the season with great enthusiasm. With a lot more emphasis on positions and set play this year, all players absolutely excelled. The team work and skills shown by everyone was awesome, and it was great to watch the team develop into a well drilled soccer side.

As per the comments below about playing with friends, not only did the skills keep developing, but the friendships and strong bonds kept growing within the team as well!!!

While we say the same thing every year, we cannot help but be so proud of this team and it was a privilege to be associated with them and watch them develop into what they have this season, the bonds, friendships, skill, effort and sportsmanship they've shown when playing was an absolute credit to themselves and their families. They are a great bunch of kids with a lot of skill!!!

A big Thank You to Coach Andrew, the team has developed so much under your guidance this season, thanks again!!!

What I enjoyed most this season:

MARCUS: Being sweeper!!

ETHAN - Playing with friends, especially Brodie.

LUKE - Scoring goals!!

ROWAN - Practising positions and playing with my friends.

ACE - Playing soccer - everything!!!

RYAN - Winning and playing with friends.

DECLAN - Playing with my friends.

BRODIE - Playing with teammates.

MANI - Being goalie!!!

JENNA - Playing with the boys and having fun! Having Andrew and Steve as coach.

Thanks to the Parents and supporters for all the encouragement and support of the players, Andrew and myself, we hope that you have enjoyed the season as much as we did!!

It has been a great pleasure to coach this beautiful bunch of souls, that together with all their parents and a magnificent job by our Manager, Georgina, we got to the end of the season with a brilliant performance from these kids. Our last game was an absolute blast, so very entertaining and a great result.

Here are just a few words to describe our soldiers:

Little **MAX**, funny, sweet, the entertainer. Max being in his first year of playing soccer, a fantastic effort. **IMOGEN**, a tough cookie, determined and a magnificent achievement throughout. **JAMIE**, once again the super kid with four lungs, giving 100% for the team consistently. **MATILDA**, strong, tough and unstoppable. **COOPER**, an amazing kid with enough battery life to play two games non-stop. **ABBY**, our guardian at the back, defending every ball as the last one. **RUBY**, the 'Chief', always ready to stop and cut every attack from the opposition. **HUNTER**, our goal scorer, with lots of talent and a big heart towards his fellow team mates. **JEZEBEL**, the midfielder with skills, heart and vision....my girl.... **LIAM**, talented with the vision of a great player. **LUKAS**, always listening to instruction, determined and giving it all each week. **CAITLIN**, an elegant player, getting better and more confident with every game. **MITCHELL**, a talented young man, with lots of skills.

The improvement made by this team from the beginning of the season is something we are all very proud of. They have had to encounter teams with a very different style of play that they had never been exposed to, and handled it like champions, showing great sportsmanship at all times.

Congratulations!

This year was challenging, having to learn some new rules of the game, positions on the field as well as the increase in field size.

However, as the season progressed, all the players gained knowledge and experience about what needed to be done for each field position. Most players found what their niche was, be it striker, midfielder, or goalie, and they all showed their skills and determination to do their absolute best.

I would also like to thank the Parents for their continuous support, especially Jason and Steve, who both helped immensely this year when I was unable to be there.

I am very proud of this team and the skills, knowledge of the game and attitudes they have gained and demonstrated. I wish them all the best next season and throughout their future sporting challenges.

What a great year it's been for the U12/5's! Stepping up to the full size

field was always going to be a big challenge for the boys, but I have been

incredibly impressed with how far they have progressed in such a short space of time. If I think back to our first game, we were down 4 nil after about 15 minutes, but rather than seeing heads drop the team kept playing and running to the end - a tough start to the season. This has been a common theme throughout the year, and I have been impressed with the way the team keep each other going out on the field. As a team we have focused on playing the game the right way - working on our passing, movement and talking out on the field. Some of the football we have played this year has been superb - with each and every player contributing and progressing their understanding of the game, and their individual abilities.

Some highlights for me:

* Rhys as Captain has done a great job. His energy on the field and commitment to the cause has been exceptional. As a centre back Rhys has shown a great understanding of his role and how carefully he needs to control things.

* Our first win up at Blaxland. We were 2 nil down at half time and struggling to get going. I asked the team to look at each other and ask if they were doing enough for their team - the response in the second half was amazing - winning 3-2 and blowing the other team off the pitch!

* Training games. At the start of the year we would get in a circle, with one player in the middle, with the aim being to string 10 passes together before the person in middle got the ball. If I look back to those first few sessions, we could barely get in a circle let alone string a few passes together. Now, the team are pushing towards 20 passes in a row. Great improvement!

* Great goals and terrible celebrations. Some of the goals we have scored have been awesome, including Brad's screamer of a volley and Ollie's cracker from the corner flag. Ryan and Lachie have both been in the goals all year, developing their understanding of movement up front. Special mention for Chad's goal against Lowlands, using his backside. Great goals deserve great celebrations, but sadly, we have a way to go here. Lachie in particular with his half slide, half fall on his back was a particular low point. Something to work on for next year.....After a tough start to the year we have since shown how good we can be - but for a few tough results we would have made top 4 and the finals. Thanks to all the Parents for their support and showing up in the cold every week. I hope you all enjoyed the football as much as I have! A special thanks to Jayne (team manager) who has been a great support each week, your help has been very much appreciated.

Well done guys, you should all be proud of a great season!

What an awesome year the Under 12girls Division 1 have achieved! We came 2nd place in the regular season and we won the Grand Final for Division 1, and now we're off to the Nepean Cup Final! This is a massive achievement for the girls under two years of regular competition. Last season we competed in Division 2 and came first place, this year, after losing some players, we had to make the transition to Division 1.

With new members joining us we had to create a side that would be able to be competitive in Division 1. The girls have exceeded our expectations by combining beautifully and creating an amazing team.

It was wonderful to watch penalty shooout in the Grand Final, but girls, please don't do that to Glen and myself again!!

I would also like to personally thank Glen for all his hard work and determination to get these girls to the kind of players they are today.

I would also like to thank the Parents, Grandparents, Aunts and Uncles that have come to support our girls this year, it has been greatly appreciated.

I haven't singled any of the players out, as I believe, from day one, it has been a team effort, with everybody putting up their hands to play any position they were asked.

The girls worked really hard at training, learning new skills every week and putting in a huge effort on game days. They showed the opposition respect, and respect for one another, and that's why we achieved the results we did this year. It has been a very enjoyable season and I look forward to watching these girls mature into the great soccer players I know they are.

Also, thank you, to the committee for your support and I look forward to the girls stepping up to the U14's next year, which will also be our next challenge. Look forward to seeing you all next year!

Firstly, I would like to congratulate all the 2018 players who were promoted from Div 2 to Div 1.

The season started well, training hard and preparing for the season, there was just one problem, we only had 11 players and no goalkeeper! This did not stop the boy's enthusiasm at training and in the pre-season games. There seemed to be only one option, Ethan or Bryce, then, from nowhere our 2018 striker says 'I will do it', my response 'you have the job, congratulations Charlie', after game one, he was not a striker playing in goals, he was a goalkeeper!

During the season Noah Sorrenson-Cox U13/3, Jack Izzard, Jai Robinson, Aidan and Jacob Worland from the U14/1's joined the team to play in the U14 Nepean Cup midweek competition. Their addition to the team was a good fit. The boys made the semi-finals before being beaten by a good 14/1's Blaxland team.

JAI - Always trying hard to develop his skills and touch the cross bar before every game.

WILL - Missed a few games with a broken wrist, Hated watching from the side. Always played strong down the left side.

MAX - 'A' for effort every time he takes the field, I know he will try his hardest.

LINCOLN - Played most of the season with a groin injury. Could not always train, but somehow never stopped running during the game.

JACK H - Moved from midfield to stopper and that is what he did. Not many got past him and if they did, he quickly recovered and tried to knock them over, giving away the odd penalty with his enthusiasm. Standout year!

JACK B - Mr Reliable in midfield. Never stopped trying all season. He has the ball skills to beat player after player.

JULIAN - Joined the team this year, fitted in well. He has a bag of skills not many U13 players have. Scored a couple of nice long-range goals during the season. Moved from striker to left midfield and enjoyed running at players and skinning them time and time again.

CHARLIE - Striker to goalie, great effort in goals. His long kicks over halfway got us into attacking positions throughout the season.

ETHAN - Enjoyable to watch him grow and train hard. Played almost every position throughout the season. Managed a few goals.

BRYCE - Twinkle toes did what he does best, starting out wide and finding himself upfront or midfield, even in goals for a game to help the team.

RYLEY - Played out wide on the right all season, developing his passing game, training hard and always had a smile on his face. Improving every time he took the field.

Overall a great season had by everyone. A big thanks to Jo (Manager), also thank you to the Parents and Grandparents for supporting the team every week.

Looking back on another great season of soccer with the U13's this year.

The competition was tough this year, but everyone in the team came out each week, put in 100% and had lots of fun, it was really pleasing to see how all the players developed throughout the season, improving their skills with each game and forming some great friendships as the season went on.

This resulted in some excellent games towards the end of the season, with a few memorable moments. One of those being a win against one of the top of the table teams, which was fantastic. We did some awesome attacking plays and some great saves from a defensive position.

Thanks to all the Parents, Grandparents and everyone else who came along to support our team throughout the year, bringing the boys to training and on a Saturday to games. Without your support I would be lost. A massive thank you to Emma and Neil for managing the team and making my job as a coach much easier. Lastly a special thanks to the boys for always demonstrating great sportsmanship.

Cheers,
PETER

This was the second year the team has been in the top division.

Manager: Brad Worland **Coach:** Paul Boyd

The bulk of the side remained the same, with only a few changes in Jack, Noah and Zane, which really strengthened the side even further.

With the exception of one heavy defeat, the lads were always in the hunt on game day. The team played with not a lot of luck this year, with a lot of goal scoring opportunities going astray, which led to the familiar weekly catch phrase of the coach " Gee Whiz, we can't even buy a goal!!" (needing a slight change in wording for publication, we all know what Gee Whiz stands for! LOL!!)

With a string of a few solid draws and a win later in the year which really got their confidence going, the lads started to show their potential. A great way to finish the year for the team, winning their way to an appearance in the Championship Series Tournament Final, with something to build on heading into next season.

A big thank you to all the supporters of the 14/1's, the Parents, Grandparents, friends and other relatives, it was great to see and hear you, as we all hung in there together! Thanks again for another great season, looking forward to next year.

BRAD WORLAND,
Manager.

PAUL BOYD - Coach - and a thank you to Naomi, or text message organiser, great job, keeping everyone informed.

This year saw a new look 14 girls team, with some players moving on and some new players joining us. We welcomed Kimberly, Alexandra I and Jayda into the fold and were excited to see Mahalia, Jaz and Keiara return after a years break.

The girls started the year off well during their trials, blowing their opposition out of the water, but struggled when they found themselves in Division 1. After five rounds of football, we found ourselves re-graded back to Division 2 and playing catch up. The girls played well most weeks and were in their element during those cold winter nights when the parents represented icicles on the sidelines, except for that one memorable game at Emu Plains, that we will keep under our hat!!

Having four reserves this year came in handy, sickness and injury hit us hard and often were playing games with the bare eleven on the field. We trialled a number of goal keepers through the year, and we thank Kim, Alex M, Jaydah and Kenzie for putting their hands up, but our search was over when a pint-sized super human put the gloves on. **MAHALIA** showed guts and determination from the time she stepped onto the line, and charged down players twice her height to make that ball hers. She had some outstanding games and held her nerve in the Grand Final to keep a clean sheet up until penalties. She was backed up with some pretty good defence through the year from **JAZ, INDIA, KIM, CATE** and **AMBER**, who were able to also support the midfield, led by our centres, **HOLLY** and **JAYDAH** and supported by some strong wing action from **ALEXANDRA M, KENZIE, PAIGE** and **KEIARA**. The team had some issues staying onside, but when we were, our strikers were right in the thick of the action, led by **EMILY** and her cartwheels, **ALEX I** and **CHARLIE**.

We would like to thank all our Parents, Grandparents, Aunts and Uncles, and other vocal supporters for turning up in all conditions to cheer on the girls, it has been our pleasure to spend the year getting to know them all and enjoying their company and individuality. You have done a wonderful job raising a fantastic bunch of hardworking kids, who never quit.

To the girls, we thank you for being the wonderful individuals you are (even when you're driving us nuts) and hope to see you all next year. If you are going to trial with Nepean, we wish you the best of luck, and will be cheering you on from the sideline.

2019 has once again been a successful year for our U15 Hawks. In a show of loyalty rarely seen in sport these days, **CHARLTON, CODY, COLBY, DARCY, DAVID, DECLAN, KIERAN, KYAN, LEO, LIAM, LUKE, TRAVIS** and **WILLIAM** all extended their contract for another year with the club, despite not receiving any offers to join any other clubs. It was that dedication to remain together as a playing group that attracted our major off-season signing in **ALEX**, a specialist goalkeeper, who inked a salary deal that both started and ended with a large number of zeros!

We began the season with high hopes for premiership glory, but unfortunately, history will record the results of the first nine games of our season as being 'loss, draw, loss, loss, loss, loss, draw, draw and draw'. All of these games were ridiculously close and so even, though we were winless, sitting on the bottom of the competition, the boys knew that we could actually mix it with the best teams in the competition.

And then our luck changed. Maybe it was the training, maybe it was the cold weather, or maybe it was the extra sugar found in the sweeter, mid-season oranges that did the trick - who knows, but history will also record the final five games of our season as being 'win, win, win, win and win', including a victory over the previously undefeated competition leaders! The boys stormed up the ladder over these final five games to finish fourth in the competition - a sensational result that made all of the parents (and boys themselves) very proud.

A special mention must go to **LIAM, LUKE, DECLAN** and **LEO** who this year played their **10TH SEASON** for our club. Well done boys.

Finally, a huge thank you must go to our Super Coach, Scott, for all you have done for the boys again this year.

See you all again in 2020!

Of course, not forgetting **DAVE FITZSIMONS**, who is also in his **10TH SEASON** with the Club!

Our girls, Coach and Manager were all surprised at starting the comp off in Division 1, however the girls never stopped trying and upset some quality opposition at times. Well done girls and hope to see you all back in 2020

STEVE KLIPPERT

Let's just say what a great season it was, the girls surprised themselves this year, playing in Division 1.

They all put in at training, and most even trained a second night doing fitness. Was great being involved with the girls again this year, with two teams from last year coming together to create one.

The girls played hard all year and were very unlucky not to have come away with more wins, but they did make it difficult for all their opponents.

Steve and I both enjoyed the season, as all the girls were a pleasure to coach and manage.

A shout out to the Parents, as without your support and help the season isn't possible.

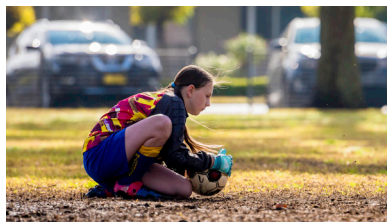

Also, I would like to thank Jacqueline for all her help this year, it was much appreciated.

A team that came together and asked me to coach them, and boy was I glad I took that job on! I am so proud and privileged to have coached such wonderful young men. These boys won their fair share and were very unlucky not to make the final.

Thanks to all the supporters, and a special thanks to Paul and Karen for looking after them whilst we were away.

TOBY - Midfield (C) - a great leader for the team, takes control on and off the field and is a very handy player. A pleasure to train, who was solid in his position every week, a real team player.

JONO - Midfield (VC) - a tough, strong competitor, with the skills to match. Loves training, very good with the ball, never scared to compete hard.

PJ - Midfield - a tough player who gives his all week in week out, very valuable player out wide, who trains his heart out and never lets you down.

CARLIN - Fullback - Where do you start with this boy? Very strong central defender who can always be relied upon to cover at the back.

ANDREA - Goalkeeper - Mr Reliable! I struck gold when this boy turned up, he has saved numerous penalties and his team many times. An awesome goalkeeper who gives his all every week.

ANDREW - Striker - The skills this boy has with the ball at his feet are outstanding. He has scored some extremely nice goals with some fancy footwork.

ISAAC - Striker/Midfield - can strike the ball and has also been very reliable playing centre mid, doesn't mind scoring a goal from long range either.

DAVE - Fullback - One of the youngest in our team and this boy has come a long way. He has been very enjoyable to coach and has been a very versatile fullback for the team.

ETHAN - Fullback - A player who has missed half the season through injury and holidays. Reliable as an outside back, gives his best every week.

JACK - Fullback - Joined the team mid-way through the year and has played some great games as an outside back, adapted well when stepping up to the wing.

BENNY - Fullback - The rock in our defence, you can always count on him as the last man back there and he played every game with heart. A great central defender.

MICHAEL - Fullback - Another great outside defender who very rarely has a bad game, he gives his best all the time. When asked to play central defence, he didn't let me down.

ANTHONY - Winger - A player you can play in many positions, he has played in the wing and up front and did the job he was asked, he will always run for his team, win, lose or draw.

CHRIS - Winger / Striker - A left foot and speed that people envy. Has scored a lot of goals for this team with that lethal left foot strike. He gives 110% week in week out. His long range goals are pretty to watch.

It has been a pleasure to coach these fine young men and words cannot express how proud I am of each and every one of them. I hope to see you all again next year for another killer season!

SIMONE - Goalkeeper - Simone is easily the best goalkeeper in the league, and has saved us on many occasions. Her saves in the Nepean Cup penalty shootout were crucial to our progress - 1 goal

CARA - Defence - Cara is a very reliable defender, tough man-marker and she is difficult to play against. She has had another great season and gets better every year.

KYELA - Defence - Kyela has only played soccer for 18 months, and is our most improved player. She is fast, determined and is an effective marker. She is very difficult to play against.

ALEX - Defence - Alex has had another very solid season at left back - and left midfield. She trains well every week, gives everything for her team and is a very reliable defender.

KATE - Defence - Our **Vice Captain** and defensive leader has been outstanding this season, stopping our opponents with her pace and stylish defending. She also caused problems when she played in attack - 2 goals.

ROCHER - Defence/Midfield - Our **Captain** has led the team very well with her calm and assured manner, playing in most positions in the team without any fuss. She is an outstanding defender - 4 goals.

KIM - Defence/Midfield - Kim is a versatile player who has helped the team by playing in a number of positions, often after working a night shift and having two hours sleep.

AMANDA - Defence/Midfield - Amanda is relentless, her determination to win sets a great example to her team mates. She was very unlucky to suffer a broken wrist in our last semi-final, and will be missed in both finals - 4 goals.

GILLIAN - Midfield - Our playmaker in midfield has had a great season. Her game management and long range passing and shooting has made such a positive impact on the team - 14 goals.

AMY - Midfield - The best short passer in the league, we are a much better team when Amy plays. She is not known for goal scoring, but she did score our goal of the season to win the Nepean Cup Semi-final - 2 goals.

KRISTY - Midfield/Striker - Kristy is fit, fast and skillful. She was unplayable at times this season and was very unlucky to have suffered a season ending injury in the Nepean Cup semi-final - 6 goals.

SAMANTHA - Wing - Sam always runs hard and gives her all. Her crosses from the left wing have been very dangerous. Scored the winning goal in our last Semi-final - 2 goals.

MARNIE - Wing - 2019 is Marnie's first year of outdoor soccer for a long time, and she has improved a lot over the season. She is competitive and aggressive on the field. 3 goals.

AMI - Wing/Striker - Ami is our most versatile player, having played in every position except keeper this season, without complaining. She is always positive and has a great attitude - 4 goals.

RACHEL - Wing/Striker - Rachel has been injured for most of the season and has still managed to contribute to the team. On her day, she is one of the best players in the league - 4 goals.

GEMMA - Wing/Striker - Gemma has had a successful return to soccer after a year off. Her skill and goal scoring have been invaluable to the team, and she played with an injury for a few months - 7 goals.

SINEAD - Striker - Sinead missed 6 games while she was overseas, yet is still our top scorer. She scored some vital goals and led the forward line very well. She is a match winner - 16 goals.

What do you get when you cross a Baby Giraffe, a T-Rex, Gazelle, Energiser Bunny, Hurricane, Pancake, Hei Hei, Moose and a Falcon???

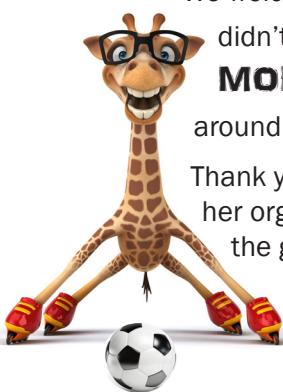

Entertainment for days..... it has been a most enjoyable season coaching this team of spirited individuals. We managed to train a time or two. One memorable session occurred at a local trampoline park, it sort of back fired, I thought it would help their balance so they could stay on their feet, NOPE, they all fell down more!

Snipers were out and about this year, taking down two players unchallenged, and we had many other small random injuries. Kat was a trooper, playing most of her games this year with ailments galore and we're counting down the months until Del is able to return.

Batman helped us out big time this year, giving our baby T-Rex some mad skills in goals and earning herself a yellow card in the process, BUT, we guess that skill had to be drained from somewhere, could it have been transferred through the hat?? Nah, the Baby Giraffe played out of her skin in goals most games, and still managed to find herself out of the box and tackling opponents near halfway!

We welcomed **LILY, JESS, MADDY, IMMY, DEL, NIKITA, CHLOE**, and if you didn't blink, **AMY** into the team this year, and they all fitted in seamlessly. **LAUREN, MORGAN, ALICIA, SAM, KAT, SOPHIE, KAYLEE** and **ASH** all had another go around this season, and I hope to see them all play for many more!

Thank you to all our loyal supporters for coming this year and to the Bossy Bitch herself for all her organisational skills, and jersey washing action.....she even remembered to bring them to the games.....mostly.....

Rather than winning the championship, this year the all age team focused on our own competition for worst injury! The struggle for winner was intense,

I proudly started things off with a concussion in the first couple of weeks of the season. Wellsy then went one better by rupturing his Achilles, by himself I might add, there wasn't a player within 10 yards. Not to be outdone, Wearnie decided to break his arm in a full bloodied tackle against Cranebrook. Getting the ambulance sent to the field and the 'happy whistle' took him into the lead, just. Tim tried his hardest by playing with a bulging disc for several weeks, nice try, but doesn't make the top three unfortunately.

Special mention to Dipper who tried to earn a holiday by getting sent off. We tried getting him banned for 6 weeks, but Nepean only gave him 1. Winner by a mile, Wearnie, mainly due to his calm nature as he lay there with a badly broken arm. On the phone to his partner, Wearnie calmly mentioned 'I may have broken my arm', to which we all replied 'mate, it's bent in three directions there's no maybe about it!'

Wearnie and Wellsy were both massive losses to the centre of our midfield.

Aside from injuries it's been a good year for the team. We have played some nice football, won some great games and enjoyed a few laughs (mostly at Jack's expense). Some highlights for me:

* 3 - 0 away win at Warradale with only 9 players (up against about 16!) The commitment and desire to win that day was exceptional, it was a great feeling walking off as winners, with even the home club congratulating us.

* Beating Pitt Town at home 3 -2 when they were pushing for top spot. Outplayed them for much of the game and showed what we were capable of.

* Dipper's screamer against Cranebrook. Collecting a bouncing cross in the 18 yard box, Dipper pivoted and shot in one graceful movement, smashing the ball into the top corner. What a goal! The crowd went wild....pity it was the wrong goal!!

*Aydin stepping up to go in goals. After losing 2 goalkeepers early in the season, we were left with no one to step in between the sticks. Aydin put his hand up and made the position his own, with some spectacular saves.

Thanks guys, tough year this year. Special thanks to Denise, our team Manager, thanks for all your help! With a bit more luck in terms of injuries, we may have made top 4. Looking forward to next year already!

It has been a tough year on the field for the not so young of the club!

Playing in a higher than expected division has made the year extremely challenging, throw in some injuries towards the end of the year and work committments meant that fielding a full side became more difficult, but the committment shown by the guys was great.

Looking forward to going around again next year. Thanks gents, for a fun season.....hey, we did win a couple of halves through the year, if only they had been in the same game!!
