President's Report 2009

Paul Boyd

Here we are, yet again, at the end of the another season. This year we fielded 20 teams, with 13 involved in competition. Once again the finals format was changed and we reverted back to the top 4 playoffs. All bar 3 of our 13 teams competed in the top 4 playoffs and semi-finals – this shows how competitive the majority of the teams have been this season.

Congratulations go to the Competition winners of 2009 who were: the U11/6's and U12/3's. Runners-up were 13/3's, 18G/1's and AA9's. As this goes to print the 12/3's, 18G/1's and 17/1's will be playing in the Grand-finals. The AA9's are playing off for a Grand-final position as well. We wish all these teams the very best as they represent Richmond.

Small-sided games also took on a new format which from feedback seemed to make for a more difficult time for these younger teams. I would like to thank the coaches and managers for persevering through a tricky season and hopefully the children enjoyed playing.

As usual I must thank the committee for their endless work they have put in once again, they are invaluable. I'm not quite sure if everyone recognises the amount of time the committee members do give up to run a club successfully.

As I always say, a true testimony to success is seeing the players happy, playing this great game and returning for another season. So, to everyone involved, congratulations and thank you very much. Looking forward to seeing you in 2010.

Yours in Sport

Harry Stanley, Molly Warren, Renee Hardy, Kyneshia Smith
Absent: Jarred Vicary & Nicholas.

Coach: Nick Lewer **Manager:** Denise Warren

First off we would like to thank all the children for giving Denise and I a great experience at coaching. We had a lot of fun teaching the children a thing or two about playing the game of soccer and having fun with their friends.

We would like to thank the parents and grandparents for all the support and kindness towards myself and Denise and also for supporting the children and encouraging all the children to do there best.

We wish everyone all the best in their future goals.

Renee Hardy: Showed a lot of promise for the game. Renee is a born competitor and got more involved with every game she played. Well done Renee.

Kyneshia Smith: Is a great player – it was her second year at playing soccer and it shows every game she played. Good job Kyneshia.

Molly Warren: This was Molly’s first year playing soccer and is improving constantly. Molly loved being part of a team and enjoys playing soccer with her friends. Great effort.

Harry Stanley: Is a great team player – he did his absolute best every minute of each game. Good work Harry.

Jarred Vicary: Is a great boy to coach – we had a lot of fun this year. He has improved a lot throughout the year and his enthusiasm in getting a goal shows he could be a top player. Excellent job Jarred.

Nicholas: Has not been with us very long, but shows he has a big heart and will power to train hard and I encourage him to keep working hard at this sport and keep enjoying it. Well done Nicholas.

Coach: Kevin Buhagiar **Manager:** Jeanette Buhagiar

What a team! We had a great bond between the boys from the moment they meet, We had fun training nights and team building games. There skills got sharp as each weekend passed.

The parents gave great support though the hole season and helped every moment they could.

The friendships that have been formed by the team members is amazing and I loved watching each week as they chat and talk between themselves and as each of them started scoring goals how they would congratulate each other. Each of boys had something unique.

Brayden – This boy took to soccer like a born natural with each week becoming sharper and quicker as he put the goals away.

Jed – This boy's unstoppable week after week, he scores and saves goals, striking the ball from every angle. He works the team so everyone shines. Well done Jed – hope to see you on the big screen.

Lewis – In his first season Lewis has grown into soccer. As he watches his team players each week he to is becoming sharper like them. Also scored some great goals.

Lleyton – Joined the team nicely, he always preformed his best, he gave it everything he had week after week. Lleyton is a great team member and shows he has more to give.

Tyler – Small but quick, Tyler has grown into a sharp player. Most improved player of the season. Could put the goals away as he worked the ball right up into the goals. Tyler is going to be the one to watch.

William – The one thing I will always remember about William is the look on his face when he scored the one and only goal. He and the team worked hard to help him achieve this goal as the whole team wanted each player to score a goal. William tries hard every week and is growing into soccer nicely.

As this was my first year of coaching I throughly enjoyed this experince and look forward to next year's season. I would like to thank all the parents and supporters of this team and look forward in seeing you all again.

Ethan Cleland, Shay Gabriel, Delaura Cauchi, Taj Gabriel, Jordan Webster, Brock Fitton.

Absent: Jarrod Rea

Coach: Ben Gabriel **Manager:** Nicky Cleland

This year has been a great experience for the team, we had two new players join our team and the other five were back together once again ready for more fun, goals and tackling.

The team started with a bang and never looked back, always fired-up and ready for whatever the opposition would throw at them. They only lost 3 games all season.

We would like to thank all the parents and grandparents for always showing up to support the team no matter what the weather. A special thanks to John Cauchi for refereeing the majority of the games.

Delaura Cauchi: This was Del's second year for the team and she was ready to show the boys how it's done. Del is a great team player who will take on any position and give it everything she's got. Always listens in training which shows with her great ball skills. Well done Del.

Jordan Webster: Jordan was one of the new boys to the team this year and was eager to play from the beginning. Jordan has improved his skills in ball control and is always willing to try new things with the ball. An enthusiastic team member, way to go Jordie.

Brock Fitton: Brock was also new to the team this year and although one of the youngest he was fearless. Brock will tackle any size opposition with no fear. His celebrations when scoring goals are priceless, as were the looks when he missed. A great improvement from the start of the year we look forward to having him back next year.

Jarrod Rea: Jarrod is a strong player who will play anywhere on the field. He has developed some strong ball skills. His confidence on the field has grown and just watch out when the oranges are opened at half time. Keep up the good work Jarrod.

Taj Gabriel: Taj has improved in confidence since the beginning of the year and has developed some great defensive techniques. His ball control is improving every week, he is eager to learn and score more goals. What an animal. Great Effort Taj.

Shay Gabriel: Shay was our leading goal scorer for the year what a mean left foot. He has shown improvement in his ball skills this year and is a problem for any defence (and his coach)! Shay is eager to take to the field every week. Well done Shay.

Ethan Cleland: Ethan was our Mr Reliable in defence this year and not many opponents made it past. He has improved with leaps and bounds in tackling and shows no fear of the opposition. Also has a mean slide tackle and many a graze to prove it. Good Stuff Ethan.

Thank you to all the Under 7 Emus players for a great season. Even though we only had 4 players the whole season, you boys always played your best.

Kaden Smith: Well done to Kaden for improving all round this season.

Declan King-Howarth: Good job to Declan for his great goal scoring and defending ability.

William Hogbin: Great work to Will for his all round performance in defence and attack.

Bradley Kelly: Fantastic effort Bradley for great cover defence and attack.

A special thank you to Ben for training and coaching the boys every week and teaching them new skills and also thank you to all the parents who came out every week and cheered on the boys.

U7 Racoons

*Front Row: Joey Lambe, Michael Taylor, Joel Thornton, Lachlan Smith, Maddison Galway,
Back Row: Andrew Canciani*

Coach: Corey Smith **Manager:** Flavio Canciani

This year was our first year together for not only the players, but also the coach and manager. It took us a while to not only get to know each other, but also to work as a team – we eventually got it and by the end of the season we were a great little team with all the players proving to be stars in their own way. The Racoons tried their hardest every single Saturday morning and even though we were not winners they were definitely grinners.

Each and every week they turned up to training at 5.30pm in the cold on a Friday to train and we can't thank the kids and the parents enough for coming each week when it would have been much nicer to stay at home out of the cold.

Here is something about each of our star players:

Joey – solid as a rock and was always trying. Joey was our best defender.

Michael - huge kicks, you can always count on Michael getting the ball down to the right end.

Joel – (TERMINATOR) once focused Joel was a machine. The opposition had no chance of getting goals.

Lachlan – great left foot kicks at goal. Lachie was the Racoons highest goal scorer of the year.

Maddison – most improved. It took a few games for Maddison to gain her confidence, but once she did she was everywhere the ball was.

Andrew – improved every single game. Andy set up a lot of the goals scored by the team.

A big thank you again to each of the kids. Keep practising and hope to see you all next year in the Under 8's.

Front Row: Robert Davis, Mitchell Webster, Harrison Tinker, Cameron Duck, Nathan Worrell
Back Row: Jadon Mizzi, Bodie Pridham, Aiden Kenny, Bailey Nicholls, Corey Ridge
Coach: Stewart Kenny **Manager:** Peta Tinker

An enjoyable season with improvement in skill for all the boys. Six members of this team have been playing together for the past 5 years, with the newer members of our team gelling well with our more established boys, with only 2 draws and 2 losses throughout the whole season. Well done boys. The team would like to thank Peta for her role as Manager.

Aiden Kenny: Aiden stepped up to become our full time goalkeeper this season. Aiden saved an extraordinary amount of goals. His ability to kick the ball from one end of the field to the other kept the team moving forward at all times.

Bailey Nicholls: Bailey is an incredible mid-fielder who can turn defence into attack with one of his huge kicks, his enthusiasm for the game is a credit to him.

Bodie Pridham: Bodie is another player with the ability to kick the ball a great distance. A great defensive player who gives 100% whenever he is on the field.

Cameron Duck: This is Cameron's first season of playing soccer. He improved with every game. Cameron proved to be a valuable mid-fielder. Our most improved player for the year.

Corey Ridge: Corey is a versatile player who is a very strong midfielder who can also play a defensive role when called upon Corey has worked hard on improving his ball skills this year which has shown results with a couple of goals.

Harrison Tinker: Harrison has an incredible ability to score goals at will. His ball skills are second to none in his age group. When he backs himself and runs the ball 9 times out of 10 he will score, often against players twice his size.

Jadon Mizzi: Jadon played his first season this year and fitted in like a seasoned pro. His defence is outstanding providing great cover for our goalkeeper.

Jordan: Jordan came to our team after a few games this season and proved to be a valuable asset in our defensive line. His ball skills and teamwork improved as the season progressed.

Mitchell Webster: Mitchell has been one of our most consistent players this season. His ability to keep the ball moving forward is outstanding. Mitchell is always on the lookout for an opportunity to score.

Natham Worrell: Nathan has made a huge contribution to our team. He has pinpoint accuracy with his passing and goal scoring. Nathan is a great team player.

Robert Davis: Robbie played his first season of soccer this year. He progressed well through the season. He has learnt to kick and chase well and has improved his ball control.

Front Row: Jayley Refalo, Naideen Richards, Keely Endresz, Courtney Atkins, Carys Rouw.

Back Row: Amy Dunn, Jordan, Kalkhoven, Bronte Wilson, Eva Claire Matthews, Cara Lambe, Genevieve Lahner, Alyssa Moore. Absent: Olivia Holt

Coach: Sandra Finch **Manager:** Donna Endresz

After a slow start to the year the girls have done well. This season had seen us with injuries and illness that had our girls only field a full team twice. Our girls have all played well. They have all improved so much. Thanks to our coach Sandy, who has given her own time to coach.

Genevieve Lahner started playing goal keeper this season, but found form in the forwards. Also in the forwards were Evaclaire Matthews and Courtney Atkins whom all come together well. Our mid-field comprised Cara Lambe (who was a dancer), Alyssa Moore and Naideen Richards – when the girls were all there our mid-field was strong. That brings us to our backs who did a lot of work this season. Bronte Wilson also trialed goal keeper, but found her position as sweeper. Amy Dunn had found her boot and did some terrific clearing kicks. Jordan Kalkhoven made up the back-line. Carys Rouw was our player who started out in the back, but found form in the mid-field. The youngest on our team was Jayley Refalo, she just never gave up, even when the opponents were twice her size. And then there was Keely Endresz, what a work out our goalie had. She is a natural and realises in the role.

Olivia Holt scored our first goal for the season against Hazelbrook, but suffered a fracture that put her out for the rest of the season.

The girls have played with smiles on their faces all season, they came back every week and give it their best.

Although the girls did not win a game, they have played soccer with the enthusiasm of an A grade team. Watch out under 10 girls next year.

Front Row: Arron Rattray, Liam Smith, Aaron Falzon, Jarome Maley, Peter Boendermaker
Middle Row: Mitchell Philpott, Saxon Lockwood, Jordan Underwood, Jye Hardy, Kurt Fantuzzi
Back Row: Mason McMaster

Coach: Matthew Smith **Manager:** Chris Lockwood

Peter Boendermaker: The second youngest and the smallest member of the team, he showed enormous courage and great skill. Peter was always ready for the opposition's goal kicks and consistently turned the ball over from the midfield creating the most devastating attacks. He kicked several spectacular goals himself.

Aaron Falzon: Match saving Aaron, the ever reliable goalkeeper. Aaron showed great skill in saving many penalties, giving his midfielders and forwards the opportunity to counter attack and score consistently. Several matches were played with only 10 men on the field, which makes his contribution all the more commendable.

Kurt Fantuzzi: Without Kurt, the team would not have been minor premiers. He was without doubt the best and most consistent defender. Whenever the opposing teams mounted an attack he broke it off or ran down and tackled the player with the ball. Along with his great speed and stamina, Kurt was a marvellous kicker, scoring a number of goals himself.

Jye Hardie: A little shy to begin with, Jye was able to develop his own style of game, growing confident as the season wore on. He became a dependable team player, contributing to and kicking several important goals.

David Kasbarian: Playing a defensive mid-field role, David showed great tackling ability and worked together with his team mates to set up attacking opportunities. The combination of tackling and ball control skills combined with growing confidence made him a valuable team member. He kicked a couple of very important goals himself.

Saxon Lockwood: Another mid-fielder, developed exceptional ball control, combining well with his team mates to create a virtually impenetrable barrier in the centre. Many times he took on and beat three or more opponents, giving his forwards great opportunities to score. Saxon also kicked a couple of goals during the season.

Mason McMaster: Back for another great year. Mason played in the backs this season, helping establish the division's best defence. He has an uncanny ability to just be where the ball is and a very long and accurate boot. He consistently turned the ball over sending the team in to attack with long accurate kicks.

Jarome Maley: Despite being the youngest team member, he was one of the most courageous players. Ducking and weaving, he consistently turned the ball over in defence. With his long kicking ability and great team ethic, he combined well with the other defenders, helping set up fast attacking moves.

Mitchell Philpott: Lightning McPhilpott, with his agility and speed, was devastating in attack. Mitchell scored many goals with his breakaway runs. He combined with the other forwards to create the most dangerous combination in the division.

Aaron Rattray: A bit of a utility, Aaron performed well in any position. He kicked the ball long with great accuracy. Several team goals were scored from Aarons centring kicks. His ball control and tackling ability made him an excellent player all round.

Liam Smith: On his day, Liam was the master. He was quick and agile in the forward line, scoring many times. Not only was Liam a great forward, but he kept the ball in attack for his team, demonstrating his great defensive ability.

Jordon Underwood: Jordon the big left footer was always reliable in the attacking side of the midfield, he contributed solidly and consistently all season. It took two or more opponents to dispossess him of the ball, leaving several loose men to regain possession for Richmond.

We came third! **We came third in U11 DIVISION TWO!!!** But then it was really not surprising. The boys trained harder than I have ever seen them train. They would do a lap of the oval then comment that they should be doing more. They worked well together and really bonded as a team, supporting each other on and off the field. A real pleasure to coach and such a wonderful group of boys.

On the field we made a few changes to key positions to strengthen the backs and create scoring opportunities. Mitchell was the star up front, scoring a blistering 19 goals and well supported by Dylan and Phil. We moved the pocket dynamos to the central midfield and didn't they shine. Lachlan and Jonathon added dogged tackling to their already fine passing skills and gave 110% every game. Caleb and Ben sured up the mid-field flanks and a genius coaching move to bring Bayley into the halves brought his big kicks within striking distance for goals.

The backs have been brilliant all year. The two outside backs, Michael F and Michael H chased, tackled and cleared the ball solidly all year. Their ability to read the play and know when to attack and defend has come a long way this year. Our new kid on the block, Liam C, slotted into the central defender position well, allowing Harrison to sweep and clear any loose balls. And then there is Liam H. He would often hobble off showing the scrapes and scratches that have made him the courageous keeper that he is.

Yet again it has been an absolute delight to coach such a wonderful group of boys. Special thanks to my tireless and creative manager Ethel (particularly when it comes to Trivia nights) and to Charlie for helping to coach the boys. Thanks also to the parents for coming to cheer the team on, there has been plenty to cheer about in 2009.

Front: Samuel Little, Daniel Vanderburg, Scott Bushell, Matthew Casha, Michael Carey, Daniel Josevsk

Middle: Lachlan Dalgleish, Philip Stanton, Tony Scholte, Dean Sherratt

Back: Mitchell McLaughlin, Jamie Dingle, Jackson Day.

Coach: Dennis Ringrose **Manager:** Don Vanderburg

Philip Stanton – has improved as our goalkeeper throughout the season making the position his own. He has saved many goals which has given the team the chance to win many games.

Jackson Day – is a skilled attacking mid-fielder and a valuable asset to the team with his ability to set up as well as scoring many goals throughout the season.

Jamie Dingle – a very solid all-round player who gives the mid-field control with excellent defence and the ability to change defence into attack by setting up the forward strikers.

Daniel Josevski – Daniel plays the forward left wing and has the great ability to beat his man and set up and score many goals.

Matthew Casha – is a real worker in the mid-field with a lot of talent. A very enthusiastic player with loads of energy. Another regular goal scorer for the team.

Michael Carey – a real asset to the team with the ability to play any position the coach requires. Michael's speed on the field has been great for the team in attack and defence.

Daniel Vanderburg – his great ability on either wing to supply the strikers with accurate passes, setting up many goals and making him a valuable asset to the team.

Tony Scholte – is another utility player who plays in defence as well as mid-field. Tony is always keen to get amongst the action and works hard for his team.

Scott Bushell – is the team's striker. He has the ability to beat several defenders to score goals with clinical precision, or set up the mid-field, a real asset to the team.

Mitchell McLaughlin – his speed in defence gives the opposing strikers very few opportunities to score. He combines with his fellow defenders to diffuse any attacking raids on our goals.

Dean Sherratt – our team's enforcer in defence on the left side. Dean's well timed tackles makes it very hard for the opposing strikers to attack our goals. His strong boot and quick response, saved the team on many occasions.

Lachlan Dalgleish – is a great player who can play most positions on the field. He can beat his man and attack the opposing goals causing real headaches for their defence. Great to have Lachlan back this year.

Samuel Little – great in mid-field with solid ball control and passing. His strong kicking game has allowed Sam to score some great goals from outside the goal square.

Thank you to the parents for turning up to the games each week and supporting the girls and for bringing them to training on those cold winter nights.

2009 saw the continuation of a very high standard in girl's soccer at Richmond Soccer Club. It was again a pleasure for me to coach an outstanding group of girls. This year was again an amalgamation of a nuclear group of girls with some newcomers to the team. We continued to achieve some outstanding results against teams that were desperate to beat us. To the team's credit, they always conducted themselves with an amazing spirit, sense of fair play and good sportsmanship. The team was very successful this year despite achieving some mixed results. Each girl is a credit to their parents and families. I'd like to thank the parents for their support and friendship. I'd also like to especially thank Cyril for an excellent year as manager and to Gary for being an excellent stand-in when needed and bringing his excellent expertise to game plans and training.

Jessica Claassens: Has had another successful season without as many injuries. Didn't start the season with us, but decided she couldn't stay away. Jess had a full season in goals and has pulled off some handy saves. Her calmness in goals almost gave me heart attack at times. Has shown some real heart and team spirit. Has shown a great improvement in moving off the line. See you next season Jess.

Rebecca Williams: Still a "pocket rocket" who has decided to lose all respect for her coach by towering over now!!!!. Bec proved how versatile she continues to be having played sweeper, stopper, centre mid and striker. She really toughened up this season and rarely let people pass her. A sweet hitter of the ball and developing great timing, Bec has proven to be a killer right wing putting in some great ball for her strikers to finish. I'm very proud of watching Bec develop in her soccer skills. Well done Bec.

Lauren Kwast: Loz has come a long way since I coached her in the Under 6s. She's still a cutie. Lauren is known as the "Sleeping Beauty" of the team. Has great difficulties waking for the games. Lauren has continued to hone her skills in the back line and hitting the ball sweetly. Put through some handy passes up the line and played in the mids at times. She's continued to be a valued member of the brick wall. Well done on another great season!

Yasmin Horner: Yas was a welcome new-comer from Colo. What were they thinking not picking YAS? Their loss was definitely our gain. Yas proved to be a great asset to our team. Can be very aggressive and has a great strike of the ball. She was often a handy combination with Nomes and set up some great goals and scoring some lovely ones herself. A lovely girl who has added a new dimension to the team. Well done on a great season Yas!

U16 Girls Div I

continued.....

Courtney Clark: The last brick in the “*awesome foursome*” brick wall. Courtney has decided to continue to develop legs up to her armpits this year! I’m sure she’s just filling in time until she’s a supermodel. Her physical strength has enabled her to be a tough customer in the back line. She puts in 100% every game, has improved tremendously in her reading of the game and kicking the ball sweetly. Still has an awesome throw in! See you next season Court. Well done!

Rochaer Dossaer: Roch continued to prove her versatility this season never complaining when positioned on the field. Absolutely LOVES playing sweeper. Hey Roch? LOL! She’s an awesome fullback and midfielder and proved to be a handy combination with Naomi in the mids. Has developed into a great sweeper who can read the play and get us out of trouble calmly and effectively. Not many could get past her. Her calmness and great ball skills are commented on by all the other teams! Well done on a great season Roch. See you next year.

Ami Wood: Ami has continued to blossom into a little “*pocket rocket*” who takes no prisoners. All our parents comment on what a wonderful improvement Ami has made. Ami advanced to the mid field this year on the left and in the middle. Made some gutsy runs down the flank and put in some top crosses! Has unfortunately continued to be the unlucky girl who gets the biggest injury. This year was a beautiful egg on her cheekbone by going in for a gutsy header. Ami has continued to be a great asset to the team with her do or die attitude. Really proud of how brave she was. Well done on a great season Am.

Naomi Stalenberg: Has continued in the development of her skills that are beyond her years. Was still the targeted player of our team and often found herself marked by three or four players. Still the play-maker of our team, Naomi scored some unbelievable goals from many impossible angles. She continues to be a great combination with Roch, Bec, and some of our new girls. As her mum, I continue to be immensely proud of my little girl and look forward to coaching her next year. Naomi was our top goal scorer again this year scoring over 50 goals!

Chelsea Dipper: “*The quiet achiever*” of the team. Chelsea has shown some great improvement this year. She is more confident. Chels scored some great goals this year! Well done sweetie! Always gives 100%. She especially improved with her running with the ball and has developed a cute little flick pass! Very classy. Looking forward to coaching you next year Chels.

Taylor Pye: Taylor has the prize of the biggest improver this year. Has really come into her own. She really listened well at training and I’m sure picked up many hints on boys, music, dating and clothes from her older team-mates! I am delighted with how much Taylor improved this year. She always gives 100%. She developed a really solid kick and tackle. I’ve really enjoyed coaching you Taylor and hope you enjoyed your season. I look forward to coaching you in the future.

Danielle Somi: Was another welcome new-comer to the team. She has previous soccer experience but I don’t think anything prepared her for mixing it with our girls! Has a very definite opinion on things and doesn’t mind sharing it. She proved to be a very versatile player who didn’t mind where you slotted her on the field. She played in the backs, mids and up front.

Tamara Davidson: Another welcome new-comer to the line up. Tam enjoyed every aspect of her soccer this year, especially the social aspect!!!! Loves a chat about the usual topics at training. Hope she didn’t learn TOO much. Tam’s previous soccer experience was indoor which found her starting the season as our regular goalie. Poor thing! Has guts and lots of heart! Tam has a lot of potential and is working on getting more aggressive and was a handy side-kick to her whole team. I enjoyed coaching you this season Tam. I look forward to coaching you in the future.

Sarah Rourke: It was wonderful to have Sarah back in the team after a few years absence. Sarah proved that she hasn’t lost any of her skill or guts. She was a handy interchange and slotted into any position you put her in. Sarah was unlucky enough not to be able to make training very often and having appendicitis during the year. She recovered well to finish off the season with a blast. Well done Sarah! A great season again.

Another successful season with my babies! We had a very enjoyable season and it was a pleasure for me to see each girl blossom into beautiful young women. The team has an amazing spirit and camaraderie that I hope will continue for many years to come Again, a special thanks to Gary for his outstanding contribution in my absence.

Yours in soccer,

Sandy Finch

2009 has gone by in a blink, but it wasn't all as easy as you might think. At times it's been a bumpy ride. There were times when the coach couldn't decide if maybe it wasn't time to retire as another game went right down to the wire.

Some games we didn't quite push to the limit, but still we managed somehow to win it. We would come from behind to the crowd's glee. The popular score seemed to be 4-3.

As the year went on our determination swelled with every opponent that we felled. Bruises, bumps & sprains – there were many, but we knew we had to make it to the semis.

So thanks to our backs, David, Carl, Jason, Beggsie & Cam. Our halves Ihsan, Matt, David, Jim & Sam. Thanks to our forwards Hayden, Andrew & Pete, your courage & heart will make you hard to beat. And of course there's Dale – our goalie brave, who dazzled them all with many a save!

Thanks to our manager Steve & our trainer Rob – you both do such a great job!

And to the parents & all who came to cheer us on at every game.

The team had a good season finishing second in the competition. We played 14 games, drew 3 and lost 2.

Paul and I would like to thank the girls for an enjoyable season.

Jessie Kwast (Goalkeeper): On many occasions this year Jessie's goalkeeping skills were the difference between winning and losing.

Samantha Stalenberg (Sweeper): Sam filled sweeper well. A talented all-round player.

Shantelle Morton (Fullback): A very strong fullback. A reliable player.

Alexandra Williams (Fullback): Alex defended well and often broke through the opposition's attack.

Jane Beck (Mid-Fielder): Jane is a very dedicated player who would never let the team down.

Samantha English (Mid-Fielder): A strong player with a terrific kick with deadly accuracy.

Carissa Dipper (Mid-Fielder): Carissa played with great strength and enthusiasm.

Erin Jones (Mid-Fielder): This has to be Erin's best year, her ball skills were fantastic – played her best every week.

Kristy Mills (Mid-Fielder): An all-round player who is very talented and aggressive.

Bethany Claassens (Forward): A very speedy player – when she puts her mind to it she can achieve anything.

Brittany Tobar (Forward – Stopper): New to the side this year – Brittany showed pace and determination.

Stacey Carey (Mid-Field): Playing in a few different positions throughout the season, Stacey showed she can play in whatever position she is told to.

Sarah Gooley (Mid-Field): Another new comer to the team and had a good season with her tackles and passes.

When we returned this year we were dismayed to see we were still up in Division 3. With 9 over 40 and 4 over 45 some say we were lucky to survive, but survive we did and won a few with the help of a daughter or two (thanks Sam, Naomi, Jess, Beth, Jess and Shani!).

We lost Nadia early on and sadly too with Tracey gone, but Kat came back to our delight and with Sue F & Menka in the fight the back-line was as solid as can be with the additional of brave goalie Dee.

Chloe played in every place. Gayleen amazed us with her pace. Deb went to China and came back even finer & Sue E was always in their face!

Sandy got married and we missed her attack. Liz played St Marys and got a leg that was black. Jane played out front with her customary wit and Alicia came back & was super-fit!

Thanks to all-we all had fun. Can't say we'll make Division 1. When its all over we'll shed a tear. See you in Division 4 next year?

The girls would all like to thank pat for the amazing job she has done this year, She has made my job as fill in coach (interviews are still open for replacement) much easier. Thank you!!

The All Age Men Div 7 had a good season this year – although finding this particular division a bit tough.

All the players of Christopher, Charlie, Nathan, Scott, Samuel, Nicholas, Ben, Jonathon, Jordan, Andrew, Craig and Michael came out each week and gave it their all. There was some brilliant plays throughout the season and the experience will do us well.

A big thank you to Gill Fletcher for her tireless efforts as manager and keeping us all in order.

Thank you also to the parents for support the boys throughout the season – you should be proud of their efforts.

We hope to see you all next year.

Not the start to the season that we would have liked, but the boys fought back quite well. It would have been nice to have proper training each week so that the team could gel better.

Thanks to the boys who turned up week after week for training and to play on the weekends.

I'd like to thank Stacie for being manager and special thanks to the people who came and supported the boys.

We hope to see you all back next year.

Front Row: Billy Saliba, John Cauchi, Nathan Cauchi, Carmelo Marchese

Middle Row: Joe Coles, Matthew Smith, Donny Saliba, Shane West

Back Row: Ben Gabriel, Jason Zammit, Bradley Merriman, David Ryan, Scott Smith, Robert Gabriel

Coach: Ben Gabriel **Manager:** Robert Gabriel

Firstly we at AA9s would like to thank our supporters who show up to our games both at home and away, without there support it would not have been the same – from shouts of encouragement to the lollies supplied. Although next year we will endeavor to supply pompoms for the ladies in blue and gold.

This year is the fourth year that we as a team have played together, we have lost the odd player in the past, but have been extremely fortunate to have players join us whom have not only fit into our style of playing, but have brought with them styles of play that the rest of the team have adopted. The past four years has been an awesome journey where we have improved both as a group and as individuals. We have formed a bond that keeps this group on guys pushing forward resulting in a spot in the grand final 2006, 2007 and 2008. Not to mention winning the grand final in 2008.

This year has been more difficult though with an upgrade to Div 9 and playing against teams that were stronger than teams of past years. We learned early in the year that it was going to be tough as we lost games in the pre-season and realised then that we had to work harder. And work harder we did.

It was great to see all of us back again with the inclusion of only one player being young Nathan.

Robert Gabriel – SKIP – Our keeper and manager. Once again Skip has been able to pull off some amazing saves which not only have helped us to win a lot of games but this display of skill and heroism will always lift his team mates to go on and win. Watching a man of skips ability in goals would turn any losing team into a team that can win. He also keeps us in line as manager from shirt washing duties to ensuring we turn up to the right field on game day.

Shane West – NATURE BOY – Shane is one of our most level headed players, he always keeps his cool and plays extremely well under pressure and when the pressure is on, Shane is like the mortar in a well constructed brick wall keeping all his team mates focused on winning the game at hand. With his positive approach Shane has ensured that we continue to improve, offering advice and game plays which definitely helped in moving us forward.

Michael Swarbrick – Michael is the foundation to Shane's brick wall. He is so reliable as our sweeper or mid back and clears the ball when under pressure. He has also shown that when he finds himself as a mid-fielder can provide many opportunities for his forwards. As a fullback we are rest assured knowing that Michael is there to save our necks.

Simon Swarbrick – If his brother is the foundation, Simon is the corner stone. Simon has saved so many goals being scored against us, that to try and keep count would be simply impossible. Simon plays a strong sweeper, mid back and just like his older sibling also plays extremely well in the mids. We as a team know that we are in good hands when Simon is back there.

All-Age Men Div 9

continued.....

Matty Smith – GOBBY – Our little legend ! There isn't much to Matty as far as structure and size goes, but you would think this guy was bigger than Ben Hurr. He finds himself in harm's way and would take a knock for his team to save a goal or create opportunities, but give him a little time and he is up and showing his best. His vocal efforts are always lifting during a game. Your ability to get up and dust yourself off combined with the skills that you show week after week both in attack and defense is highly sorted.

Dave Ryan – RAJ – Our man. Dave has proven once again this year that no matter where he is placed on the park he will always deliver 120% time and time again. He is also very reliable and solid in the back line but will attack explosively when placed in the mids. Dave has scored some beautiful tight goals this year when needed the most.

Brad Merriman – VB BOY – Our supper sub! Brad is as solid as a rock and takes his position as a left or right mid-fielder very seriously. He works extremely well with the forwards and can score the odd goal from way out. He may have been a footballer in past years but this year he has shown that soccer and Richo AA9 is where he belongs.

Jason Zammit – Postie – One of our explosive mid-fielders. This year we found ourselves relying more and more on the centre mids and boy did Jase answer the call. He runs tirelessly all game and sets up goal scoring opportunities as well as helping the backs defend. He also has some nice goals next to his name. Watching someone like Jase work so hard is an inspiration to his team mates. His effort is always appreciated.

Joey Coles – Palacho – Our other reliable mid-fielder. Joey works extremely well with Jason and as mentioned above, found himself working harder this year than previous years. But Joey stepped up to the plate and showed us all what a work-horse he is. His placing of the ball to his forwards is precise and again Joey has quite a few goals to account for. It's not easy to be a mid-fielder but Joey has proven himself time and time again that he is the right person for the job.

Donny Saliba – Rabbit – Our new dad on the team. Once again Donny has shown how important he is to the team, from turning up to all training nights (whether he is able to train or not) to giving us 120% week after week. He has carried many an injury this year, but this has not stopped him. His skills improve year after year and we all appreciate his efforts and tape.

Scotty Smith – Randy come God – Our give us our words of wisdom from above. Scotty is our silent assassin, he plays mid-fielder like a pro and with his sly and skillful maneuvers will set plays up, give our forwards goal scoring opportunities and support our backs. His smooth style of play is enjoyable to watch and be a part of. He is the centre of our gravity. And the bugger can score too.

Billy Saliba – Scarface – Billy is our knight in shining armor, from his coaching points at training to his amazing ball skills. He runs rings around the opposition, sets up beautiful goals for his partner in crime Benny and above all is well respected amongst his team mates. He aims as sharp as Robin Hood and always puts on a show.

Carmello Marchese – Rocky – The Italian Stallion. Our confident all rounder. Carmy has pleasantly surprised us all this year by showing us his grace and expertise as a forward, slotting many a goal and setting up just as many. But when a hole needed filling in the backline he stood up to the plate and proved to all that he is more than willing and able in claiming a spot in the backline. Solid as a rock.

Ben Gabriel – Bata – Our leader and captain. Benny is the guy that should take most of the credit for the way we play (even though he wouldn't). He is always at training and with Billy will instruct his team mates to train in order to win. Both Benny and Billy will set plays and hone in on areas that need improving. Benny is also our front man, there is never a goal scored without his involvement, whether scoring himself or unselfishly passing to enable another to score. He is undoubtedly the one guy in our team who deserves the captain's role above all. He will command his troops to turn the game around when things aren't going our way (talks at half time always helps), and when the game is going our way will ensure that we play the full 90 mins to our best ability. We are all soldiers for 90 mins in a battle and there must only be 1 captain to ensure we pull through and Benny is that man.

John Cauchi –Shoesy – Once again this year Johnny lived up to his motto "Go Hard or Go Home", his motivational half time and mid game speeches are legendary and lift the team spirit. Johnny's defense is next to brilliant and is always there to save the day. He is our team communications man and what a great job he does. Johnny's dedication to the team is inspirational as are the red frogs at half time. Johnny is a credit to the team in every way. Good Stuff mate thanks for everything.

Nathan Cauchi – Our youngest member of the team ever. Nathan found himself playing in a very different team this year and found himself playing a very different style. But to his credit he very quickly adapted to our style and within weeks was one of the boys. Nathan always turns up to training and will always give 100%, actually we older boys had to work harder to not look so bad in his presence. On game day Nathan has been awesome, playing anywhere on the field, back, mids even forwards and has always delivered. He reads the game well and plays unselfishly. His efforts I am sure are appreciated by all. Especially his dad!

To conclude we would like to thank Richmond soccer club for their support and we would like the club to know how much we appreciate the ability to play soccer for such a family friendly club. Hope to see all the boys back for another, possibly more challenging year next year .
